Terrain and notes:

- College/university type campus buildings with a mix of short grass, woodland and tarmac.
- The map has been extended and updated since the club picnic in 2015, building work means that not all lamp posts are mapped.
- Take care on roads: both the Prologue and Final cross multiple campus roads / car parks but these are likely to have very limited, if no, traffic so juniors may run with parental / guardian approval.
- Do not run on flower beds or newly seeded grass areas – marked as out-of-bounds on the map.
- The ditch that runs east west below the sports centre is largely impassable; cross at the bridges.
- Please be courteous to other users of the Campus
- Event map : scale – 1:2500
- Prologue : 1.4km, 12 controls
- Final : 2.4 km, 20 controls
