

SROC Spring Series Event 2 – Duxbury Park, Chorley

Saturday 27th April 2019

Ideal for Newcomers whether families, walkers or runners and experienced orienteers too.

Competitors from beginners to the experienced are catered for with a beginners' (yellow) course as well as a 5.0km technical course. There will be experienced orienteers on hand to help anyone who needs guidance.

Parking and registration:- signed off Carr Lane Nearest postcode **PR7 3JP** . Parking is on on the road (It's is a col-de-sac).Please park courteously as Telent Technologies require access along the road.

You can register between 12.15 and 13:15 and start anytime between 12.30-1.30 and courses close at 3:00. **Free coaching and help will be provided.** For your actual course, you will receive a map that shows the course and an electronic timing chip (dibber). You start when you are ready, at minute intervals (it is not a mass start!). Results will be available at the end of your course and later on the web, but for newcomers its more about learning and enjoying than the result.

Courses on offer:- Yellow 2.4 kms and suitable for orienteering beginners
Green 4.8kms suitable for more experienced orienteers

Unfortunately there are no toilet facilities.

Event fees £5 seniors, family groups £5, Juniors/Students £2

Organiser Tony Marlow e-mail antonymarlow@gmail.com 07736 939856

Note that the valley at Duxbury park has quite steep sides and some amount of hill climbing is inevitable, although this has been kept to a minimum on the Yellow course. Appropriate footwear and clothing for the outdoors should be worn– do take reasonable care.
