

Virtual orienteering around Lancaster.

You will find an urban type orienteering course on the associated map. To solve the clues you need to “navigate” to each control circle using Google maps. Once in the circle you will need to use street view to find the features mentioned in the clues below, and make a note of the answers. You may have to move around in street view to be able to read the answers. All are situated where the centre dot is on the map.

1. Warning sign phone number 01772 ___ 999
2. Green box no. __
3. Height limit _ . _ m
4. House number __
5. Aztec phone no. 07737 ___ 130
