30	Annie Marie Woodcock/Lewis Thomas	600	57.06	0	600

Organiser's Thanks and Comments:

Thanks to helpers: *Thanks once again to Karen for her help in checking the map, the control sites and values were my responsibility. Thanks to Chris R for setting up the timing. Hopefully all is correct, will sort out any problems when we get back. Shame about the rain but it didn't seem to spoil anyone's run. Bob*
